

Welcome to the

WORLD'S BIGGEST BRUNCH FOR MS

You're part of something big.

This weekend, we're aiming to bring 1,000 people together across the world to share food, friendship and hope.

By being here today and making a donation, you're helping Overcoming MS provide trusted information, practical programmes and a supportive global community for people affected by MS. Every gift helps more people discover it's possible to live well with MS.

Thank you for being part of it.

SHARE FOOD. SHARE HOPE

Enjoy your brunch. Make a difference.
